

Only those telephone instruments which have been provided by Post Office Telecommunications are permitted to be connected to the UK Public Switched Telephone Network.

Call your local Telephone Sales Office for further details of the Astrofon. The address and telephone number are shown in the preface of your Telephone Directory.

For charges see separate leaflet.

Please Note

We do our best to supply our customers with the apparatus they ask for but we may have to provide apparatus which does not accord exactly with the descriptions and illustrations in this leaflet.

Post Office Telecommunications.

The Astrofon

The Astrofon by Thorn Ericsson

A modern electronic push-button telephone with a pleasing functional design.

The clear lines and striking colours of this telephone bring that touch of distinction to the modern home. Available in body colours of white, beige, green or dark red, the Astrofon is light in weight with a moulded

handgrip below the handset rest. Suitable for most types of extension arrangements and with an adjustable volume control on the bell, the Astrofon has a design for today that is sure to last.

The Astrofon, manufactured by Thorn Ericsson Telecommunications (Sales) Ltd., is installed and maintained by Post Office Telecommunications.
